## **AGITATIONAL PROGRAMME - PROPELLING THE MOVEMENT MOVE AHEAD! RELENT NOT TILL THE GOAL IS ACHIEVED!!**

We reproduce hereunder the text of All India Bank Officers' Confederation Circular No. 69, dated 13<sup>th</sup> October, 2014.

### **QUOTE**

Please refer to our Circular No. 2014/66 dated 09.10.2014, advising about the Confederation's action programme, over and above that of UFBU, as per the decision of Emergency Executive Committee Meeting held on 8<sup>th</sup> October, 2014, at Delhi. Please also refer to our Circular No. 2014/67 dated 11.10.2014, whereby we advised the splendid success of 'Black Badge wearing' to mark our protest across the country. In that Circular, we had requested to intensify our struggle by observing rally / Dharna / demonstration at various centres apart from Jantar Mantar, New Delhi. We vigorously followed up with all our Affiliates/ State Committees and members through various means like SMSs, emails and Watsapp etc. for implementing the call of the Organisation with full earnest.

We are extremely happy that call of the Confederation evoked unprecedented response! Massive demonstration and rallies were reported from all over the country. Reports from Mumbai, Thiruvananthapuram, Chennai, Ahmedabad, Jaipur, Patna, Bhopal, Bangalore, Chandigarh, Pune, Nagpur, Lucknow and North East States along with video clippings and pictures need volumes to describe the success of the programme. Jantar Mantar in Delhi witnessed unparalleled participation of more than 1500 Officers at the call of AIBOC alone, creating a new history! None of the agitations held during the time immemorial witnessed such massive gathering at so many centres, despite the joint calls of UFBU.

However, many parts of Odisha State as well of AP state were ravaged due to havoc played by the cyclone 'Hudhud' and therefore rallies could not be hold there. We extend all our support to the Officers, Employees and the natives of the States in this hour of crisis and pray to almighty for their safety as well as speedy restoration of normalcy in these States.

Comrades, we have been able to build up a strong momentum so far but a lot more is yet to be done. Let us leave no stone unturned to achieve our Goal of a decent and early Salary Revision! Let us utilise all channels like media contacts, customer relations and lobbying with Politicians for creating mass awareness towards the neglect suffered by us at the hands of IBA and Govt., despite our positive contribution for strengthening the National Economy. Comrades, when each and every member of our Organisation gets committed to pursue the common cause relentlessly, we shall surely win over the adamant and apathetic attitude of IBA and the Government. We can just not let them hide behind the false shields of non-paying capacity of the Banks for accepting our due demands. It is high time, we need to expose their policy of protecting and non-willingness to expose the big corporate who are willful defaulters and usurping the public money. We need to highlight the plight of Bank Officers and Employees, who despite of being least paid as compared to their counterparts in Govt. Departments, Public Sector Enterprises, etc. are toiling hard for Nation building by participating relentlessly in all programmes/schemes of national interest by neglecting their health, family and social life.

The undersigned is utilizing all the fora available at IBA / Government/ Political level. We appeal all our Affiliates / State Committees also to continue to put forth best of their efforts in utilizing each forum and to make dynamic efforts to involve the membership at large. Let it be our Mission to struggle relentlessly till our long pending fair demands are met.

Comrades, the call of withdrawal of extra co-operation has also been welcomed by entire membership and has been implemented across the country. Let us march on with renewed vigour and strength and implement our programme along with the joint action programme of UFBU. We are confident with our unique display of solidarity and unity, justice will triumph again!!

Long Live our Unity!!!
