**TWO DAY SUCCESSFUL STRIKE OBSERVED IN
RRBS ALL OVER THE COUNTRY – MARCH ON TO NEXT
PHASE OF AGITATION PROGRAMME TO CLINCH OUR ISSUES**

All India RRB Officers' Federation (AIRRBOF) is one of the major constituent of UFRRBU. AIRRBOF was at the vanguard of two days strike observed all over the country on 10th & 11th March, 2016. The strike remained a resounding success. The issues of the officers & employees of RRBs was highlighted during strike.

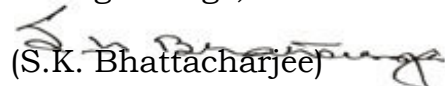

Reports had poured in from all over the country that demonstration before HO of RRB and at major centres was observed on the strike days. The different news papers in different languages carried the news of the strike by officers & employees of RRBs at the call of UFRRBU.

Press Conference was organised by AIRRBOF at different centres. President and General Secretary of AIRRBOF addressed a full gathering of Press people at Chandrapur which was well covered by electronic and print media.

With the successful observance of two days strike, UFRRBU is likely to meet in New Delhi by 1st week of April, 2016 to decide future course of action. Friends, sacrifices are called for. Our issues are just and right. United we shall march ahead. Govt. of India and management have to implement our major issues of extension of all allowances & benefits, reintroduction of compassionate appointment scheme, introduction of pension at par, amendment of RRB officers & employees service Regulation to include DA & other pay in calculation of gratuity of RRB officers and scrapping of Mitra Committee Recommendations on HR.

We vow to carry out the agitation to its logical conclusion.

With greetings,

(S.K. Bhattacharjee)
GENERAL SECRETARY
