**CHANGES OF PROCEDURE OF RECRUITMENT OF OFFICER
& CLERICAL STAFF IN RRBS – ISSUES TO BE TAKEN UP BY IBPS**

We have written the following letter to the Chairmen of all RRBs endorsing copy to Director, IBPS. We reproduce the letter for information & necessary action.

QUOTE

We are given to understand that IBPS had called a Meeting of Chairmen of RRBs on 6th June 2016.

You shall kindly appreciate that due to high level of attrition and very low level of turning up for joining in RRBs large numbers of vacancies remain unfilled in RRBs causing serious dislocation in services of the branches of RRBs.

We have considered the matter in the 61st Meeting of the Central Committee of our Federation and would like to point out the following correctional course to be adopted by IBPS. In view of the fact that you are meeting IBPS officials on 6th instant we shall like to offer the following suggestions:

- i) The number of candidates to be put on waiting list should be 50% instead of present 10%.
- ii) The system of fixing knowing language of a particular state by the candidate the eligibility criteria the candidates of the particular state only should be allowed to participate in the recruitment process.
- iii) The recruitment process of RRBs should commence only after finalisation of the list of eligible candidates of SBI & PSBs.
- iv) There should be a security bond to be undertaken by the eligible candidates.
- v) In case of resignation from service of RRBs a candidate should be put on compulsory waiting period of 2 years to be eligible to apply to IBPS for employment in SBI, PSBs & RRB.

We trust that you shall raise those issues with IBPS to arrest the present trend of high attrition & low turnout from and for employment in RRBs.
