## **CONSTITUTION OF BUSINESS ADVISORY COMMITTEES FOR SO-CALLED WEAK RRBS**

We reproduce our letter addressed to the Chief General Manager (IDD), National Bank for Agriculture & Rural Development on the captioned subject for your information & necessary action.

### **QUOTE**

We understand that Business Advisory Committees for turning around the so-called weak RRBs have been formed. This action followed Govt. of India's decision to introduce Prompt Corrective Action (PCA) for PSBs.

You would appreciate that Govt. of India and Management of the respective PSBs involved representative Officers' Association & Workmen Union in the PSBs and they are working in tandem to turn around the Banks. However, in case of RRBs, there were no efforts on the part of Govt., NABARD and Sponsor Bank to involve either Apex Level Trade Unions or the Bank Level representative Unions for ushering in result oriented growth process. We record our strong displeasure in the matter of not involving greatest stakeholder of RRBs, i.e., officers Associations and Workman Unions.

We, therefore, demand that a Meeting be convened, preferably, along with JCC to fine tune Business Advisory Committees so that to involve the representative Trade Union of officers and employees at the earliest. We trust that you shall keep us in confidence on the issue.
