## **GENERAL SECRETARY HELD EXTENSIVE TALKS WITH CHIEF GENERAL MANGER, NABARD, IDD ON 6<sup>TH</sup> INSTANT**

General Secretary, All India RRB Officers' Federation held extensive talks with Ms. S. Arora, Chief General Manager who was flanked by Shri P.C. Lenka, Dy. General Manager, IDD. At the outset we conveyed our strong condemnation of recent issue of circular on clamping down PCA (Prompt Corrective Action) in line with Public Sector Banks without any prior consultation with Majority Officers & Employees Associations. It was clarified by NABARD official that PCA for RRBs is different in nature. The PCA for PSB are corrective in nature whereas that for RRBs is preventive. We demanded that discussion should take place with Major Officers and Employees Associations to arrive at a consensus to which the officials showed their keenness.

We told that the Sponsor Banks are messing in regard to introduction of other allowances and NABARD should advise them to implement other allowances (Part – II) in time bound manner. We suggested that to end impasse in the matter of Extension of Pensionary benefit to RRB employees and officers the proposal submitted by AIRRBOF by way of IA No. 9/2016 and the affidavit thereafter should be the modus operandi.

In view of the fact that JCC Meeting is taking place on 12<sup>th</sup> April, 2018 the other issues shall be discussed thereon.

With greetings,

  
(S.K. Bhattacharjee)  
GENERAL SECRETARY
