### QUOTE

Dhanlaxmi Bank Officers' Organisation (DBOO) has been fighting relentlessly with full grit. They have full support of the Confederation and its Affiliates/ State Committees which have actively been participating in the agitational programmes at all centres. We are happy that understanding the genuineness of their cause, trade union support has been extended not only from leaders of other Constituents but also from leaders of various political parties.

As per reports received from various centres, massive demonstrations were held by our Tamilnadu State Committee also on various dates, viz. at George Town, Chennai Branch of Dhanlaxmi bank, addressed by Com. activist of IOBOA and President of AIBOC, Trichur as well as Com. Valsan, State Secretary, Congress (S), promising their total support for the vibrant DBOO. Many lady comrades of DBOO, Com. Anitha P. and Com. Maymol Mathew, Presidents of FBOA and CSBOA, respectively, as well as Com. Paul Mundadan (FBOA), Com. Gopikrishnan (SIBOA) and Com. Francis Thottungal (CSBOA) were among those who observed hunger strike.

Com. Joseph Taget, Secretary of District Congress Committee, Trichur offered the wholehearted support to the struggle. He warned the Dhanlakshmi Bank management that their unresponsive attitude on the indefinite strike which is nearing one week will bring really disastrous results. Com. P.R.N. Nambeesan, the Trichur District Secretary and member of the Central Committee of CMP condemned the ill-minded managements for exploiting the working class. Com. T Narendran of BEFI, said that it is a matter of shame that "The minimum social justice of Job Security itself is under peril". The State Secretary of AIYF Com. K Rajan (CPI State Executive Committee Member) while addressing the issue, asserted that "the fiery wind of resistance of the youth will see that such uncivil and sadistic injustice turns into dust, not if the miscreants themselves". The District Secretary of AIYF, Com. Pradeep strongly demanded a fair and transparent inquiry in the Mumbai fraud case. He demanded that the real culprits should be put behind the bars to relieve the innocent officer. INTUC, BEFI and SIBOA members came to the venue of the Dharna in hundreds and offered unconditional support and revolutionary greetings.

We are confident that with increasing support from all quarters and firmness of the militant comrades of DBOO, the Management would soon realize its shortcomings and would take steps for the revival of healthy industrial relations in the Bank, in the larger interest of their Institution.

OUR UNITY... LONG LIVE! DBOO.... LONG LIVE!! AIBOC... LONG LIVE!!!
