RBI STUDY TO EXAMINE THE EFFICACY OF RRBS

Recently Dept. of Banking Regulation, Reserve Bank of India, Central Office has sent a Questionnaire to selected RRBs eliciting their Views on different parameters. In this regard we have sent a communication to Reserve Bank of India which we reproduce for your information & sharing with members.

QUOTE

We understand that, of late, your department had sent a Questionnaire to selected RRBs eliciting their point of view in regard to 19 parameters. It is queer that not all the RRBs were advised to share their view points.

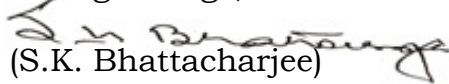

We appreciate that a relook need to be taken in regard to the efficacy of RRBs and their space in the recent revamp of the Banking Sector and emergence of new set of Banks which would mainly operate in the semi urban and rural areas.

However, we are really taken aback to observe that as representative of over 45 thousands officers working in 56 RRBs we have been totally kept in the dark. The officers who really deserve appreciation for the spectacular performance of the RRBs in the last couple of years need definitely be consulted through their Federation, All India RRB Officers' Federation.

We trust that you shall rise up to the occasion and invite us for an across the table discussion on the captioned subject. We look forward to your early response.
